about

fall/winter '06

Sigatoka, Fiji — 2005

Since moving to the Phoenix-metro area from Los Angeles in the fall of 2005, Zurina has had her jewelry appear in such magazines as *So Scottsdale*, and *Bead & Button*. Also in the works is her web site, which is set to launch in the winter of 2006.

Currently, her work can be seen at the trendy Mill Avenue shop, Swell Clothing.

Zurina's passion for jewelry design was ignited after visiting a gem store in her hometown of Portland, Oregon in 2002. Finding the natural beauty and intricacy of the stones mesmerizing, she began her career as a jewelry designer.

Having a natural appreciation for diverse style, her creations range from funky and cool, to glamorous and chic. Inspired by family, friends, and adventures around the world, her body of work infuses classic refinement with modern style.
